„Rural Base – Global Face“

Studying at the HS Ravensburg-Weingarten – University of Applied Sciences
Ravensburg-Weingarten University of Applied Sciences

WHO WE ARE
„We are a small university of applied science with approx. 4,000 students in 33 study programs, which are offered in 3 disciplines: Engineering, Business & Social Studies.

We are located in Southern Germany, surrounded by high potential companies.“
Ravensburg? Weingarten???
WHERE WE ARE
Here we are!
To put it in a nutshell

5 REASONS TO STUDY AT HRW
1. Study where others go on vacation
2. Safe & economically stable environment
3. High quality in study and research
4. Diverse and international study programs
5. We are what we are: an University of Applied Sciences
What we offer…

PROGRAMS & FEES
## Undergraduate Programs

### Technology
- Applied Computer Science
- Automotive Engineering
- Automotive Engineering PLUS
- Electrical Engineering/ Applied Physics PLUS
- Energy and Environmental Engineering
- Mechanical Engineering
- Physical Engineering (Technik Entwicklung)

### Social Studies
- Applied Psychology
- Health Economics
- Nursing
- Nursing Education
- Social Work

### Business
- Business Informatics
- Business Informatics PLUS
- Business/Management
- Technology Development
- Technology Management
- Internet and Online-Marketing
- Digital Design

*Only for Exchange Students:*
- International Academy

### Electrical Engineering and Information Technology

### E-Mobility and Green Energy

### Physical Engineering

## Tuition fees (only non-EU students)

Since winter semester 2017/2018 non-EU citizens have to pay tuition fees in the state of Baden-Württemberg. There are only a few exceptions.

→ **But: No tuition fees for Italian students!**

## Semester contribution & social fee

Each student in Germany has to pay a semester contribution & social fee for being enrolled at the university. It has to be paid each semester.
Step by step

HOW TO APPLY
HOW TO APPLY

Step 1: Choose a program

Step 2: Check entry requirements
  → Language requirements, pre-study internship, final grade, deadlines

Step 3: Collect supporting documents
  → Language certificates, school leaving certificate, Bachelor certificate

Step 4: Apply online

Step 5: Accept your offer
**Language Requirements**

**German**

There are the same language requirements for the German taught Bachelor and the Master programs:

- German language test DSH (min. DSH 2)
- German language test TestDaF: An average of at least TDN 4 has to be reached and none of the single marks should be below 3.
- German language diploma of the Conference of the Ministers of Education and Cultural Affairs: second level
- Other certificates of German language proficiency might be accepted as well. For this and other details see the Studienkolleg website, please, and contact the Studienkolleg, if necessary.

**English**

The English language requirements are

- for the international Bachelor program in Electrical Engineering and Information Technology: TOEFL internet-based: 60, IELTS: band 6.0
- for the English taught Master programs in Mechatronics and Electrical Engineering: TOEFL internet-based: 70, IELTS: band 6.0
- Other certificates of English language proficiency might be accepted as well.

Deadlines

English taught programs

Bachelor
- Electrical Engineering and Information Technology
- E-Mobility and Green Energy
- Physical Engineering
→ Application deadline: 15. November

Master
- Electrical Engineering and Embedded Systems
- Mechatronics
→ Application deadline: 15. April

German taught programs

→ Application deadline:
  - January 15 – summer semester
  - July 15 – winter semester

Good to know: Our Academic Calendar
winter semester = September to February
summer semester = March to August
There is more than studying!

STUDENT LIFE
STUDENT SERVICES

The HRW is a small university and no matter what the problem is, there is always someone who can help. The university's two main institutions include:

Student Service
The student service is responsible for the administrative process. It takes care of admission, enrolment, exams ... - and much more.

International Office
The International Office helps international students to orient themselves and arrive. It organizes Welcome Weeks, excursions and country evenings, ... It informs about the search for accommodation and advises in case of problems.
Housing

Student dorms
In Weingarten and Ravensburg there are various student dorms. For a room you have to apply to the Studentenwerke (as early as possible):
www.seezeit.com
www.studentenwerk-weisserose.de/

Private housing market
International students can also find private accommodation, e.g. in a shared flat. However, staying in private homes is often a bit more expensive and it's easier to find accommodation if you're already in Germany.

Living for help
The DRK Ravensburg manages a platform for arranging private rooms for students. Often one lives together with families or older people and helps them in everyday life. In return, the room is cheaper.
FINANCING

Part-Time Job
Many of our students are working part-time in a regional company to earn some money, gain working experience and to network with future employers.

There are no restrictions for EU students.
For all others:
- You can work up to 120 full or 240 half days a year
- You are not allowed to start your own business.
- If you want to work more, you need the approval of the Employment Agency and the Immigration Office.

Scholarships
International students can apply for various scholarships (e.g. political/clerical foundations). Many of them offer basic support, which means a scholarship sufficient to cover the cost of living and support the scholarship holders during their studies.
PARTYING
THANK YOU!
